

**SAN ROMANOWAY REVITALIZATION ASSOCIATION**

# **ANNUAL REPORT 2021/2022**

**MAKING IT HAPPEN TOGETHER**

OUTREACH TO THE COMMUNITY  
SUPPORT FROM SECOND HARVEST & CITY OF TORONTO EMERGENCY SUPPORT

San Romanoway Revitalization Association (SRRA) is a not-for-profit social service agency located at the northeast quadrant of the Jane-Finch intersection in the City of Toronto. Our Mission: To create a sense of belonging in the San Romanoway neighbourhood and wider Jane-Finch community by assisting families, individuals, and groups to support each other by building a safer and healthier environment.

# PRESIDENT'S MESSAGE

Since 1999, the San Romanoway Revitalization Association (SRRA) has worked to create a sense of belonging in the San Romanoway community by assisting families, individuals and groups to build a safer and healthier environment. Over the past year, I have been immensely proud of our dedicated staff, partners, volunteers and generous supporters who have demonstrated overwhelming perseverance in providing programs, services, and support to those who need it most.

As our city begins to recover from the COVID-19 pandemic, the SRRA has shifted to support the changing needs of our community. We are pleased to share that breakfast and after school programs have returned to in-person sessions and, for the first time ever, the SRRA extended operating hours during the winter break to offer daycare services for parents who had returned to work and expressed a need for support.

Often going above and beyond the call of duty, the SRRA has weathered this ever-changing landscape in an ongoing effort to keep our community safe. In partnership with local health organizations, staff and volunteers continued to join forces to bring an increased number of local and accessible testing clinics, door-to-door vaccinations, and pop-up vaccination clinics to ensure that no one is limited due to a lack of access.

As food prices continue to rise, so too has the SRRA's efforts in combating food insecurity. With the help of MVR Cash and Carry and Second Harvest, fresh produce and food boxes are provided to the community on an ongoing basis.

In August, we enthusiastically celebrated the opening of The Courts at San Romanoway. Through collective efforts, between the SRRA, Greenwin Cares, Philpott Children's Tennis and RPMS, and with months of planning, these previously uneven, damaged, and ultimately unusable courts were resurfaced to pro-level quality. It has been an overwhelming joy to see our youth take to the court to learn life-long skills and build confidence and self-esteem. As we begin fundraising for a dome to cover the courts, we look forward to the possibility of being able to provide year-round access to this incredible facility.

This past year saw collaboration like never before. From our sponsors and community supporters, to frontline workers, politicians, dedicated SRRA staff, volunteers, and my colleagues on the Board of Directors, I am continually impressed with the profound effects our collaborative efforts have had on the community. It is because of you that we are able to see so much hope for a safer and healthier future. I would also like to express my deepest gratitude to our three levels of government for their financial support over the past year, as well as the donors, foundations and community partners who have shown us unwavering generosity.

As we look to the future, we are committed to doing our part to keep our communities safe, healthy and thriving. I sincerely thank each and every one of you for your part in making that possible.

Sincerely,

A handwritten signature in black ink, appearing to be 'K. Green'.

Kevin Green,  
President and Chair

## SAN ROMANOWAY REVITALIZATION ASSOCIATION

To create a sense of belonging in the San Romanoway Community by assisting families, individuals and groups to support each other by building a safer and healthier environment.

### MANDATE

- Community development and safety.
- Finding proactive solutions to solve the problems of youth violence in the neighbourhood.
- Provide cultural/social, recreational, educational, and enriching programs for children, youth, families and seniors.
- Provide employment training, life skills coaching, educational upgrading and assistance including other workshops and pro-social activities for marginalized "at-risk" youth.

# EXECUTIVE DIRECTOR REPORT

## EXECUTIVE DIRECTOR REPORT 2021-2022

This past year has been less challenging than the previous two (2) years, as we continue to see the decrease in COVID-19 cases, most Public Health restrictions lifted and living returns to semi-normal conditions.

The level of support which has been received from the three (3) levels of Government, Foundations, Community Partners, Corporations, Individuals and other local businesses has been amazing during these past two and half years.

Food insecurity and rising rent contributes to a large portion of community instability and growth.

San Romanoway Revitalization Association is back to in-person programing; we continue to prioritize our services where a huge portion addresses the issues of food insecurity and housing needs.

We continue to be most grateful to our Community Partners, the three levels of Government and Foundations who came to the call of responsibility during this very challenging time.

On a more positive note: on March 3, 2022, San Romanoway Revitalization Association was approved for five (5) years of funding from the Federal Government – Minister of Public Safety and Emergency for a project to work with Black and Racialized Youth. Reclaiming our Community, Investing in Our Youth (RCIY)

Respectfully,

Stephnie Payne M. Ed  
Executive Director

## **Financial Statements**

**March 31, 2022**

August 24, 2022

## **Independent Auditor's Report**

To the Board of Directors of  
San Romanoway Association

### **Opinion**

We have audited the financial statements of San Romanoway Revitalization Association (the Association) which comprise the statement of financial position as at March 31, 2022, and the statement of operations and changes in net assets and statement of cash flows for the year then ended, and notes to the financial statements including a summary of significant accounting policies and other explanatory information.

In our opinion, the accompanying financial statements present fairly, in all material respects, the financial position of San Romanoway Association as at March 31, 2022 and the results of its operations and its cash flows for the year then ended in accordance with Canadian accounting standards for not-for-profit organizations.

### **Basis for Opinion**

We conducted our audit in accordance with Canadian generally accepted auditing standards. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Association in accordance with the ethical requirements that are relevant to our audit of the financial statements in Canada, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

### **Responsibilities of Management and Those Charged with Governance for the Financial Statements**

Management is responsible for the preparation and fair presentation of these financial statements in accordance with Canadian accounting standards for not-for-profit organizations, and for such internal control as management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Association's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Association or to cease operations, or has no realistic alternative but to do so.

Those charged with governance are responsible for overseeing the Association's financial reporting process.

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with Canadian generally accepted auditing standards will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Association's internal control.
- Evaluate appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Association's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements. If such disclosures are inadequate, we will modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Association to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

Wienberg, Gerson

# San Romanoway Revitalization Association

## Notes to Financial Statements

March 31, 2022

---

### 1. Significant accounting policies (*continued*)

#### Donations in kind

The work of the Association is dependent on volunteer services of many individuals. As these services are not normally purchased by the Association and due of the difficulty in determining their fair value, donated services are not recognized in these financial statements.

#### Capital assets

Capital assets are recorded at acquisition cost. Amortization is provided as follows:

Office equipment	5 years	Straight line
------------------	---------	---------------

#### Financial Instruments

The Association initially recognizes financial instruments at fair value and subsequently measures them at each reporting date as follows:

<u>Asset/liability</u>	<u>Measurement</u>
Cash	Fair value
HST receivable	Amortized cost
Sundry receivable	Amortized cost
Grants receivable	Amortized cost
Investments	Amortized cost
Accounts payable and accrued liabilities	Amortized cost
Loan payable	Amortized cost

Financial assets measured at amortized cost are assessed at each reporting date for indications of impairment. If such impairment exists, the asset is written down and the resulting impairment loss is recognized in the statement of operations and changes in net assets balance for the period.

The Association recognizes its transaction costs in net income in the period incurred.

### 2. Investments

Investments are comprised of non-redeemable and cashable guaranteed investment certificates (GICs). Investments that are cashable or non-redeemable GICs with maturities within the next fiscal period are categorized as current assets. GICs may be cashed prior to maturity subject to interest penalty. GICs earn interest between 0.2% and 1.09% and mature between November 16, 2022 and September 1, 2023. Interest income for the year included in other income on the statement of operations was \$955 (2021 - \$527).

# San Romanoway Revitalization Association

## Notes to Financial Statements

March 31, 2022

---

### 3. Capital assets

	Cost	Accumulated amortization	Net 2022
Equipment	\$ 121,195	\$ 117,743	\$ 3,452
Leasehold improvements	<u>562,367</u>	<u>562,367</u>	<u>-</u>
	<u>\$ 683,562</u>	<u>\$ 680,110</u>	<u>\$ 3,452</u>

	Cost	Accumulated amortization	Net 2021
Equipment	\$ 121,195	\$ 114,292	\$ 6,903
Leasehold improvements	<u>562,367</u>	<u>562,367</u>	<u>-</u>
	<u>\$ 683,562</u>	<u>\$ 676,659</u>	<u>\$ 6,903</u>

### 4. Accounts payable and accrued liabilities

At March 31, 2022, there is \$9,183 (2021 - \$5,284) owing for payroll source deductions and \$746 (2021 - \$524) owing for WSIB with respect to government remittances. Accounts payable are unsecured and not subject to any terms or covenants.

### 5. Loan payable

The loan payable is comprised of the Canadian Emergency Business Account (CEBA). The Company received a \$60,000 CEBA loan. The loan was provided by the Government of Canada to provide capital to organizations that have been adversely affected by COVID-19.

The amount of \$30,000 (2021 - \$NIL) was paid during the year. The loan is unsecured, interest-free and due on December 31, 2023. If the loan is repaid when due, \$20,000 of the loan is forgiven. It is anticipated that the Company will be able to repay the loan when due, and the forgivable portion of the loan has been included in income. If the loan is not repaid by December 31, 2023, the unpaid balance plus the forgivable portion of the loan will be repayable over three years with a 5% annual interest rate.

Public Safety Canada	49,391	-
Toronto Foundation for Student Success	36,557	17,062
HRDC - Summer Student Grant	34,707	17,454
City of Toronto - Investing in Neighbourhoods	21,814	4,664
Ministry of Small Business	18,038	18,038
Aubrey & Marla Dan Foundation	10,000	10,000
Toronto Star Fresh Air Fund	4,000	4,000
City of Toronto - Covid assistance	-	69,000
York University	<u>-</u>	<u>13,200</u>
	<u>\$ 741,366</u>	<u>\$ 421,273</u>

# San Romanoway Revitalization Association

## Notes to Financial Statements

March 31, 2022

---

### 7. Donations

Included in donations received during the year is a donation from The Barry & Laurie Green Charitable Trust of \$25,000 (2021 - \$25,000).

### 8. Commitments

The Association has entered into an agreement to lease premises until September 30, 2023. The Association is committed to the following future minimum annual lease payments:

Fiscal Year	Commitment
2023	\$ 33,797
2024	<u>9,199</u>
	<u>\$ 42,996</u>

### 9. Financial instruments and risk management

The Association is exposed to various risks through its financial instruments. The following analysis provides a measure of the Association's risk exposure and concentrations at the balance sheet date. There has been no change in risk exposure from the prior year.

#### Credit risk

Credit risk is the risk that one party to a financial instrument will cause a financial loss for the other party by failing to discharge an obligation. The Association's credit risk is primarily attributable to its cash, investments and account receivable. The balance of cash, investments and accounts receivable in the balance sheet represents the Association's maximum exposure at the balance sheet date. This risk is mitigated by the fact that cash and investments are deposited with a Schedule A Canadian bank and most of the accounts receivable are from various levels of government.

#### Liquidity risk

Liquidity risk is the risk that the Association will encounter difficulty in meeting obligations associated with financial liabilities. These risks are mitigated by the fact that the Association holds a large balance in cash and cash equivalents.

#### Market risk

Market risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in market prices. Market risk comprises three types of risk: currency risk, interest rate risk and other price risk. Association is not exposed to market risk as the investments are in Canadian guaranteed investment certificates, held in Canadian dollars, with fixed interest rates therefore they are not exposed to currency risk or interest rate risk and the GICs are not marketable securities therefore they are not exposed to other price risk.

It is management's opinion that the Association is not exposed to significant risk arising from its financial instruments.

# San Romanoway Revitalization Association

## Notes to Financial Statements March 31, 2022

---

### 10. Unrestricted net assets

The Board of Directors established a reserve for salaries and benefits to pay up to three months salaries and employer payroll remittances in the event that there are insufficient funds available from current operating revenues. It is the Board's intention to contribute \$1,200 annually to the reserve from unrestricted resources until the amount required is reached.

During the year the Association transferred from unrestricted net assets \$1,200 (2021 - \$1,200) to the reserve fund. The salaries and benefits reserve fund balance at March 31, 2022 is \$6,884 (2021 - \$5,684).

### 11. Guarantees

In the normal course of business, the Association enters into agreements that meet the definition of a guarantee. Indemnity has been provided to all directors and officers of the Association for various items including, but not limited to, all costs to settle suits or actions due to involvement with the Association, subject to certain restrictions.

Directors' and officers' liability insurance has been purchased to mitigate the cost of any potential future suits or actions. The term of the indemnification is not explicitly defined but is limited to the period over which the indemnification party served as a director or officer of the Association.

There are no lawsuits or potential lawsuits or actions pending and therefore the maximum amount of any potential future payment cannot be reasonably determined.

### 12. Comparative figures

Certain figures have been restated to conform with the current year's presentation.

# San Romanoway Revitalization Association

## Notes to Financial Statements March 31, 2022

---

### **Nature of operations**

San Romanoway Revitalization Association is a community based organization, the object of which is to develop and foster community spirit, promote organized athletics, arts, recreation, civic emergency social services and other community endeavours, promote adult educational, recreational and athletic facilities and equipment for benefit to the community. The direct focus of the Association is on crime prevention, health and safety for residents residing in the San Romanoway neighbourhood of Toronto.

The Association is a registered charity incorporated without share capital under the laws of Ontario and thus exempt from income taxes.

### **1. Significant accounting policies**

#### **Basis of accounting**

The financial statements have been prepared by management in accordance with the Canadian accounting standards for not-for-profit organizations, accordingly, these financial statements have been prepared in accordance with Canadian generally accepted accounting principles.

#### **Use of estimates**

The preparation of financial statements in accordance with Canadian accounting standards for not-for-profit organizations requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities at the date of the financial statements, and the reported amounts of revenues and expenses during the reporting period. Actual results could differ management's best estimates as additional information becomes available in the future.

#### **Fund accounting**

The Unrestricted fund accounts for the Association's administrative activities and program activities funded by grants and donations. This fund reports unrestricted resources in excess of the operating requirements.

The Restricted fund accounts for the Association's program activities where the grantor has specified restrictions as to the use of the funds.

#### **Revenue recognition**

The Association follows the deferral method of accounting for contributions.

Unrestricted contributions are recognized as revenue when they are received or receivable if the amount to be received can reasonably be estimated and collection is reasonably assured.

Externally restricted contributions are recorded when they are received or receivable if the amount to be received can reasonably be estimated and collection is reasonably assured. Externally restricted contributions are deferred and recognized as revenue in the appropriate Restricted fund in the year in which the related expenses are incurred.

Our key activities are culturally sensitive and crime prevention in nature and include:

### **BREAKFAST & AFTER SCHOOL PROGRAM:**

During the school year SRRA offers a breakfast and after school program for the neighbourhood and community children. The program is mandated by the Ministry of Education under the Child Care and Early Years Act (2014) - #0003578.

Children are dropped off at the centre each day at 7:30 AM where a nutritious breakfast is served, then walked to the two (2) local elementary schools by SRRA staff.

Each day at 3:15 PM the children are picked up at their respective schools and walked back to the centre where they are given a hot meal, consisting of food items from each food group. Homework, social, recreational, and physical activities are implemented and supervised by professional staff and volunteers. The program runs until 6:00 PM.

### **BOYS & GIRLS LEADERSHIP GROUP:**

This program is aimed towards girls and boys between the ages of 9 to 13 years old experiencing some forms of anti-social behaviours such as bullying, conflict with peers, physical aggression, and low self-esteem. The objective is to assist the girls and boys with self-empowerment by increasing social skills, positive life choices and decision-making skills, leadership skills and goals to academic success. Other topics of discussion pertinent to this age group are also discussed along with physical activities and homework assistance. This program is offered five (5) days weekly during the school year.

### **HUMBER SUMMIT MIDDLE SCHOOL –AFTERSCHOOL PROGRAM:**

This program is aimed towards students in grades 6, 7 and 8 attending Humber Summit Middle School. The objective is to assist the girls and boys with self-empowerment by increasing social skills, positive life choices and decision-making skills, leadership skills and goals to academic success. The boys and girls receive homework assistance, and participate in Literacy and Nutrition workshops, Dancing, Cuban African Drumming and physical fitness activities. The participants receive a healthy snack during each program day. The program is offered four (4) days weekly for two and half hours per day. The Humber Summit MS Afterschool Program is funded by the Ministry of Tourism Culture and Sport.

## **SUMMER DAY CAMP:**

SRRA marks the twentieth (20) year of operating a summer camp. This program offers a variety of social, recreational, physical, and educational activities including trips to other GTA attractions for children ages 5 to 12 years old.

## **MARCH BREAK CAMP:**

During the yearly school spring break SRRA operates a March Break camp, that offers a variety of social, recreational, physical and educational activities. This camp is extremely beneficial for parents who do not have time off work.

## **SENIORS PROGRAM:**

SRRA offers an active Senior' program in partnership with three (3) local agencies funded by the City of Toronto and the Ministry of Health –Local Integration Health Network (LIHN). The objective is to offer isolated seniors an outlet to meet with other local seniors to socialize and to discuss issues that impact on their lives socially, recreationally, physically and health wise. Various outings are arranged to different venues and events in and around the Greater Toronto Area. Guest speakers are often sought after for workshops and discussions which focus on health issues, security and safety, elder abuse, crime and victimization, elder domestic violence, pension and housing related issues, counselling support, independence and self-reliance, the buddy system and peer support.

## **TWEEN-TEEN GIRLS PROGRAM:**

The Tween-Teen Girls Program offers safe, fair, age-appropriate activities to promote active lifestyle choices. It is important that Tween-Teens understand the difference between being healthy, having a healthy body image, and having high self-esteem. Having an effective Tween-Teens Mental Health Program brings many benefits to youth, families, and communities. Keeping Tween-Teens busy will prevent them from engaging in unsafe behaviour in and around their community. Collaborating and working closely together with the communities to make a local impact to Mental Health through addressing and identifying the differences of every youth. This program will inspire Tween-Teens in becoming young, vibrant, innovative leaders today.
